

# UPDATED POLICY FOR KIDS + DOGS

We are excited to share that we are now allowing our customers to join us for seated, outside tasting AND bring children or a dog. Our first priority continues to be keeping our staff and customers safe. One of the many ways we keep our tasting experience one of the safest anywhere is to severely limit how guests move about the space.

Children and dogs are adorable and we love (and have) both! As we test out inviting them to join you, please keep in mind our objective is to continue to limit the interactions between guests, which means **children and dogs may not roam** and dogs may not be displayed to invite other guests to pet them. We appreciate your understanding and participation in keeping all of us safe!

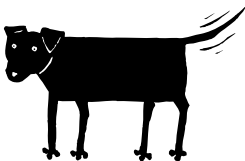

Kids must be able to sit for 90 minutes.

Dogs must be leashed and able to sit by table, in tent for 90 minutes and should be inside the tent, not outside.
